ONLINE DATABASES

The library website www.loyalistlibrary.com provides students and staff electronic databases to research articles from journals and newspapers. Your student/library number will be required to sign in to our databases off campus.

RefWorks is web-based software that allows you to create a personal database of the references you've used for your research. It will also allow you to format papers, and generate bibliographies in standard output styles such as APA, MLA, and others. To create a free RefWorks account visit www.loyalistlibrary.com and click on the RefWorks link.
